Dearest Family - On my way
to the women's club Coffee
for new gals - but a card
first to let you know we're
O.K. Been having lots of good
rain & lots of sun mixed
(mixed) in. And gorgeous sunsets
from our apt. windows. Sat.
nite the northern lights gave
with a brilliant display so
winter must be approaching.
Many shrubs in the woods
are already turning red &
yellow & the 1st heavy frost
isn't suppose to come before
the end of Sept. We've had
none yet, thank goodness.
Still sleeping under blanket.
Hope all still O.K. & not worrying
- working too hard. Love,
your character
